## Accommodation Details

### Tents

We have two types of Tents; Camping Tents (two per tent) and Cottage Tents (four per tent). This is very rustic, basic but clean type of accommodation on the farm itself with shared toilets. This is not recommended for elderly participants. Bedding will be provided. Please bring mosquito repellent and warm clothes. This type of accommodation is available for only 18 people on a first cum basis.

### Dormitories

These are rooms on the farm or nearby farms with 4-6 people sharing one room and shared toilets. Bedding will be provided. Please note that the bedding is warm and comfortable but is on the floor.

### Rooms

These are rooms on the farm or nearby farms with 2 people in one room with attached toilets and proper beds. Some bigger rooms may have 3 people in one room. Please note that there is limited availability for this type of accommodation. Preference will be given for the elderly or the infirm.

Note: Transportation (shared auto rickshaws/taxis) will be arranged for one time early morning pick-up & night drop each day for off-farm accommodation.

### Hotels

Hotels in neighboring towns of Vallabh Vidyanagar and Anand

Note: Participants will have to make their own booking and transport arrangements. For the list of hotels see the 'Hotel Information' page in the 'Workshop Additional Information' document. Please note that this being Marriage season, the hotels fill up very fast. So book in advance.

### General Notes:

All participants are advised to arrive on the previous evening i.e. 12th December for the first workshop, 16th December for the second workshop and 18th December for the third workshop. People are requested to arrive between 4:00 p.m. and 7:00 p.m. on the farm on those days. Dinner will be provided. People arriving after 7:00 p.m. will have to make their own arrangements for that night in one of the listed hotels and come to the farm the following morning after 6:00 a.m.

## Workshop Summary

### Workshop On Biodynamic Farming

The four days (December 13th to 16th) cover the basics of Biodynamic farming with many intensive hands-on sessions on Composting, CPP, Liquid Manures, Tree Pasting, making and application of BD500, BD501 etc. The theory sessions will be conducted amidst the verdant bamboo grove on the farm.

### Workshop On Vegetable Management

The two days (December 16th to 18th) cover the art & science of growing Vegetables successfully and productively in your homes or farms. You will be able to see a variety of vegetables growing bounteously on the farm such as Broccoli, Cauliflower, Cabbage, Lettuce, Spinach, Sweet Corn, Tomato, Sweet Peas, Carrots, Beet Root, Cucumber, etc. at this time of the year on the farm. This workshop will be conducted by Sarvdaman with help from his apprentices.

### Workshop On Fodder and Dairy Management

The two days (December 19th to 20th) cover the art & science of Dairy & Fodder Management. This farm specializes in growing fodder and you will be able to see a variety of fodder such as Alfalfa, Barley, Oats, Sunflower, Fodder Beet, Cow Pea, African Tall, Sweet Sudan, Napier etc. at this time of the year on the farm. This workshop will be conducted by Sarvdaman with help from his apprentices.

Note: See the 'Workshop Structure' for the detailed workshop content.

## Getting to the Venue

The training centre, Bhaikaka Krishi Kendra, is located at Ravipura village (opposite to Kashiya Kuva Bus stand), on Anand-Sojitra Road, 13 kms from Anand (well known for AMUL – the milk brand). The city of Anand (74 kms. south of Ahmedabad and 49 kms. North of Vadodra) is well connected by train on the Mumbai-Ahmedabad rail line. From Anand railway station catching an auto is the best option. Charge should be about Rs. 200/- to 300/- depending on time of arrival. See the 'Transportation Information' page in the 'Workshop Additional Information' document, for phone numbers of auto drivers who know the venue. See <http://www.organichutbkk.com/contact-details.html> for map etc.
